EDUCATION

BA in Media Scoring and Production, 2024

University of Miami *Frost School of Music*

Graduated with honors, Recipient of Outstanding Senior Award

GPA 3.96/4.00

Minor in Cinematic Arts (post-production audio)

AUDIO PRODUCTION EXPERIENCE

Independent Producer, Atlanta, GA, Durham/Chapel Hill, NC, Miami, FL

2015 - PRESENT

Wrote, recorded, mixed, mastered, and released four albums. Promoted my services through social media to develop working relationships with a client base of local artists. Wrote, created, recorded, mixed, and mastered music for the artists.

Engineer and Producer, 82 Ent. Studios, Miami, FL 2019 - 2021

Worked as the in-house engineer and producer at Dwayne Bowe's recording studio, engineering, working, and connecting for Number One Billboard-topping artists like Sean Kingston and Southside.

Co-founder, Engineer, Producer, Toff King Studios, Atlanta, GA 2018 - 2020

Started a small, two-room studio located in North Atlanta and ran sessions and handled payment as well as promoted the studio.

Engineer, In-House Producer, Loud House Studios, Atlanta, GA 2018 - 2021

Began as an intern cleaning rooms and setting up sessions and quickly advanced to engineering and producing. Engineered sessions and produced for artists.

VIDEO PRODUCTION EXPERIENCE

Music Videos, 2015 - PRESENT

Directed, shot, and edited music videos for artists.

Horizon Video Production, Durham, NC — Intern 2016

Supported a variety of audio and video projects, including an informational video for Lenovo.

UNC Hospital, Chapel Hill, NC — Videographer 2012

As a 13-year-old, I shot and edited an informational video for the University of North Carolina hospital system.
